CHAMPAGNE

# Charles Heidsieck

· à R E I M S ·

Charles Heidsieck is one of the great names of Champagne, and produces some of the finest of all Champagnes. Founded in 1851 by Charles-Camille Heidsieck, the original 'Champagne Charlie', the foundation of its modern fame rests on the unrivalled quality of its wines, which receive countless awards and accolades year after year. This success is attributable to the strength and depth of their winemaking team over the past three decades: Daniel Thibault, Regis Camus and Thierry Roset have between them been awarded 'Sparkling Winemaker of the Year' at the International Wine Challenge fifteen times. No other house has won more than twice.

In a world of large houses and luxury brands, it is reassuring that Charles Heidsieck, the smallest of all the grandes marques, is once again family owned and striving to build upon its already fabled reputation and we couldn't be more delighted to share 'Champagne Charlie' with our Dunbrody family.

## WELCOME TO DUNBRODY COUNTRY HOUSE

Kevin and I wish to share with you our joint passion and love of wine from around the globe. We have been assembling our private wine collection for almost 2 decades now since Dunbrody Country House became our home in 1997. We have been following vintages and wine makers from year to year to which we have formed our own private reserves collection. Resting in our custom built cellar we decide when these wines are ready for release to the guests of Dunbrody. Some are old, some are new but all are favourites.

We hope you enjoy them as much as we have.
